Charge Your Adventures

Stay powered wherever your adventures take you with the 24W Phone & USB Fold-Up Solar Charger. Use solar power to keep your phone, power bank, and other USB devices charged.

Equipped with dual USB ports (1x USB-A & 1x USB-C) and a built-in zipped pouch to keep your gadgets secure while charging, this solar panel makes off-grid power effortless - no more searching for a power outlet, just unfold, soak up the sun, and stay connected.
