The premier choice for your leisure vehicle interiors, specify Vohringer ply.

## About Vohringer Furniture Board

### What is Vohringer Ply?

Taking its name from its manufacturer Vohringer (V-Group), Vohringer ply is a popular and versatile light-weight hard finished veneered ply board, made in Germany. It has been traditionally used for interior furniture in motorhomes, caravans, campervans and even horseboxes since 1971. Vohringer ply is available in two thicknesses 15 mm and 3 mm. The 15 mm board is supplied with the same colour veneer both sides. The 3 mm board is supplied with veneer on one-side only. The board is 2,440 mm x 1,200 mm (approx. 8ft x 4ft). It weighs approx. 19 kg per board (15 mm).

### Is it Environmentally Friendly?

Vohringer takes pride in being environmentally friendly and only use sustainable products using renewable materials from organically cultivated forests where forest depletion is avoided. Their production methods are performed with environmentally friendly and renewable raw materials. All of Vohringer's partners are being certified to the Forest Stewardship Council's standards of environmental quality.

### Why Use Vohringer Ply?

Vohringer ply is a proven product and does not delaminate over time. The manufacturing process has been developed over 40 years and uses PUR hot melt glue that is water resistant and the latest laminating machinery and highly skilled staff. Only Ilomba/Polar plywood from Italy and Spain with a density of just 470 kg/m<sup>3</sup> is used making Vohringer ply easy to cut. Using Vohringer Ply for your leisure vehicle builds can only enhance and add value to these builds.

### What are Vohringer Ply's main features?

- Light-weight (only 19 kg for 15 mm board)
- Durable and long lasting
- Proven manufacturing process (in excess of 40 years)
- Easy to Cut (less wastage)
- Enhances and adds value to any build

### How quickly can I get Vohringer Ply?

We hold large stocks of Vohringer ply and can offer a choice of eighteen colours as detailed here. For exact colour samples please call our Customer Service Team on 01460 242366. If you would like a colour that we do not stock then please do not hesitate to contact us. All Vohringer orders are despatched within 24 hours and can be sent on a next day or economy (2-3 day) service.
